

Fig. 1

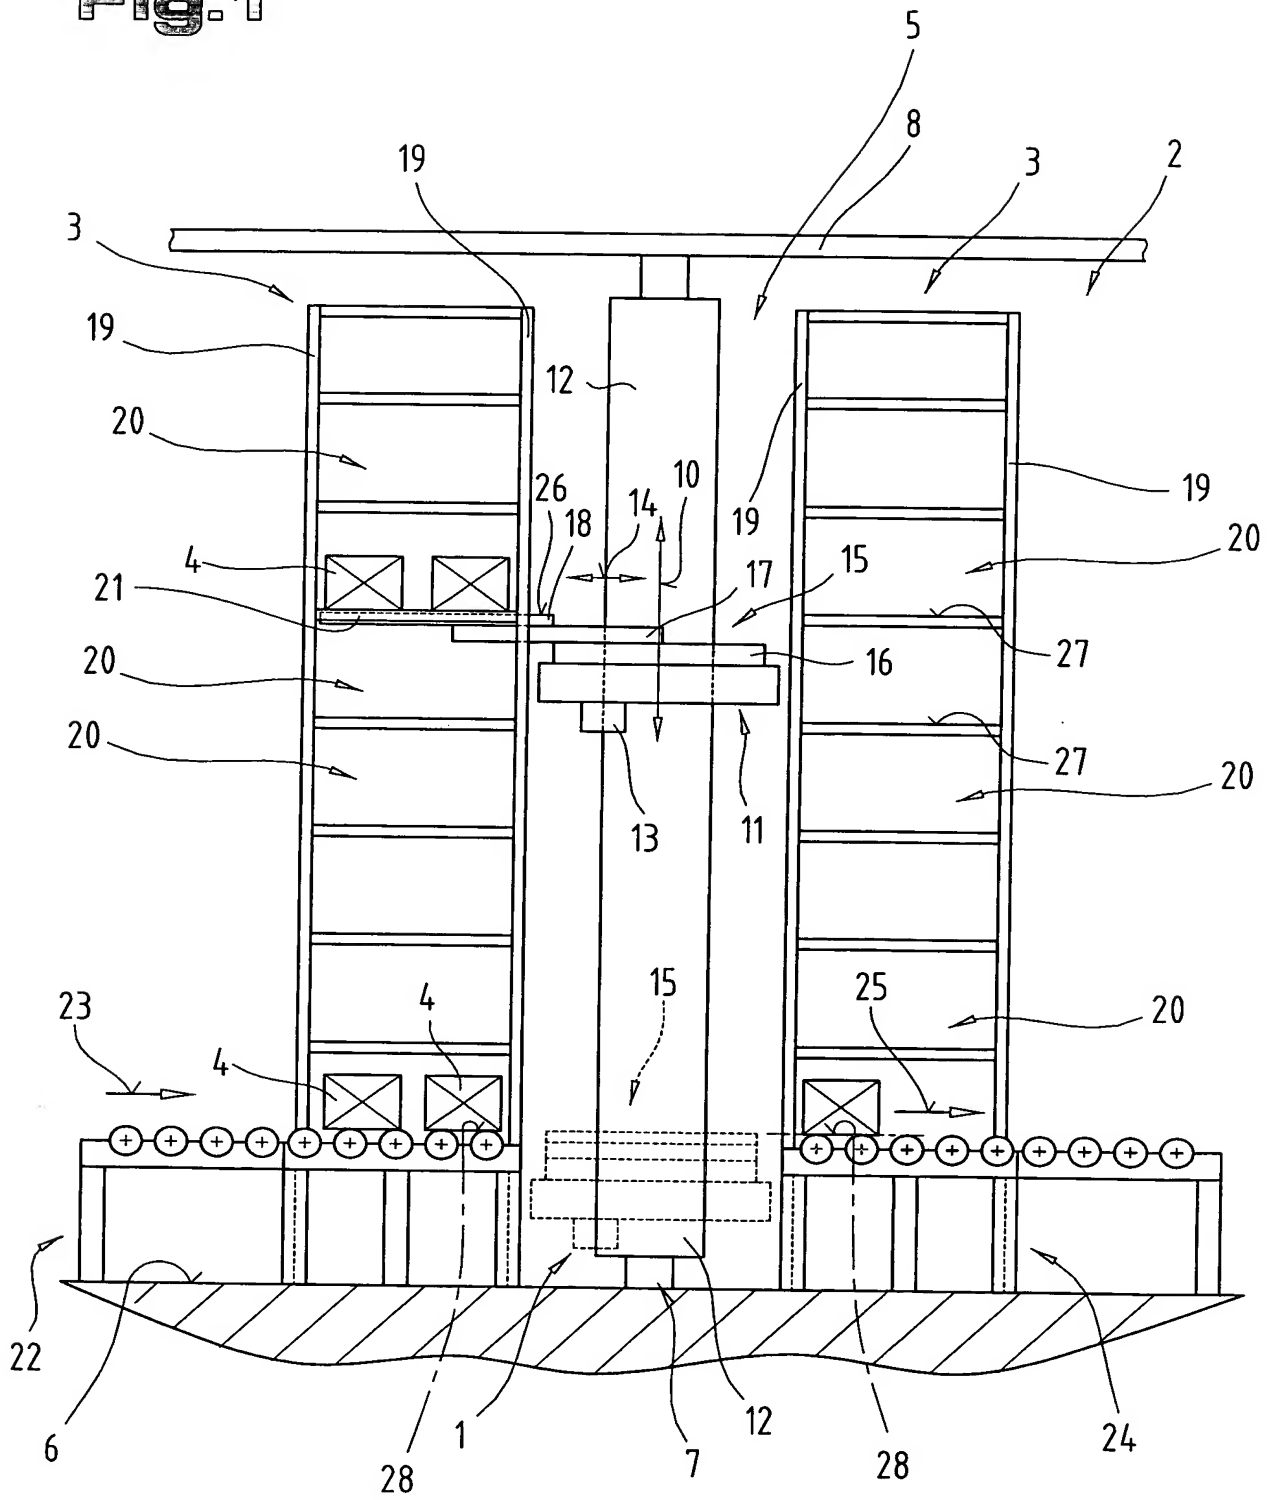

Fig. 2

Fig. 2 is a schematic diagram of a mechanical assembly, likely a pump or valve, showing a central vertical shaft (5) passing through a housing (1). The shaft has a central passage (9) and is surrounded by a seal (12). The housing has two main sections (3 and 16) with internal components (4) and a central opening (17). The bottom section (11) shows a detailed view of the shaft (7) and the seal (12) assembly, with a central passage (9) and a seal (12). The bottom section (11) also shows a detailed view of the shaft (7) and the seal (12) assembly, with a central passage (9) and a seal (12). The bottom section (11) also shows a detailed view of the shaft (7) and the seal (12) assembly, with a central passage (9) and a seal (12).
